From: Commander, Atlantic Division, Naval Facilities Engineering Command

To: Commander, Naval Facilities Engineering Command (Code 09C)

Subj: FEDERAL FACILITIES AGREEMENT (FFA) FOR MARINE CORPS BASE, CAMP LEJEUNE UNDER CERCLA SECTION 120

Ref: (a) PHONCON LANTNAVFACENGCOM (S. Ashton)/NAVFACENGCOM (R. Goldstein) of 6 Dec 89

Encl: (1) Federal Facility Agreement dated Dec 6, 89
(2) Copy of Letter of Intent to Execute the Agreement
(3) North Carolina Department of Environment, Health and Natural Resources letter of Dec 5, 89

1. As discussed during reference (a), enclosures (1) and (2) provide the final draft Federal Facility Agreement for Marine Corps Base, Camp Lejeune dated December 6, 1989 and a copy of the Letter of Intent to Execute the Agreement, respectively. The original Letter of Intent has been forwarded to the North Carolina Department of Environment, Health and Natural Resources (DEHNR) for signature.

2. The enclosed Agreement contains those changes pertaining to the three outstanding issues as agreed to in DEHNR's letter of December 5, 1989, which is forwarded as enclosure (3) and thus represents the draft Agreement to be used by each of the Parties for final review.

3. We request that the enclosed documents be reviewed and provided to those people needing review prior to signature by ASN(S&L). The original Letter of Intent will first be signed by DEHNR and then forwarded to the U.S. Environmental Protection Agency (EPA), Region IV for signature. The original Letter of Intent will then be returned to this command and forwarded to you for signature.

4. After signature by ASN(S&L), we request that the original Letter of Intent be returned to this command, attention Code 1822, and then a copy of the original Letter of Intent with all three signatures will be provided to each of the Parties signalling the start of the public comment process.
